Fee for Service

We charge fixed price fees for initial advice and implementation up to (but not limited to) \$8,000.

We also provide fixed price ongoing service packages, and/or charge an asset management fee on portfolio values, up to (but not limited to) \$11,000 per annum. We pre-negotiate these fees with clients.

All fees are pre-approved by clients before being charged. Our fees are usually calculated on a monthly basis and debited to your nominated portfolio cash account.

In addition, we may charge an hourly rate for the advice we provide up to \$550 per hour.

All fees are inclusive of GST.

You will be invoiced directly for initial advice and implementation fees and may elect to pay Sentry directly or have these fees deducted from your investments.

Commission

Product providers may pay a commission directly to Sentry for some financial products.

Commission payments may be either initial or ongoing. Initial commissions are generally a once off payment made when new business is placed or additional contributions are made to a financial product. Ongoing commissions are paid whilst you hold the product.

Where possible we may agree to refuse to receive these commissions, rebate these commissions to your account, or use the commissions to offset some or all of your agreed fee for service.

Commission on Life Insurance Products

Initial commission may be up to 88% of the initial annual premium. Ongoing commission may be up to 50% of the ongoing annual premium.

Should you cancel an insurance contract within the first two years the Adviser reserves the right to invoice you an amount equal to the costs incurred as a result of the provision of financial services to you.

Commission on Investment Products from 1 July 2013

There is no commission payable on new investment products.

Ongoing commission for existing investment products at 30 June 2013 may be up to 5% of the account balance.

All commissions are exclusive of GST.
